

DOCTOR OF OPTOMETRY – SUBLEASE IN HAWAII

Eyecare Waikoloa, is looking for an Optometrist to join our Waikoloa, Hawaii practice as an Independent Doctor. Brand-new exam lane for refractions and procedure/pretest room included as well as office staff. Ability to set own schedule and exam fees and practice in Waikoloa as the sole owner on the medical side.

Eyecare Waikoloa is independently owned and operated. We have a full-service optical dispensary with ABO certified opticians to take each patient from eyewear selection, lens recommendations, finishing lab in house and lastly expert adjustments. We cater to our local, growing population and are the only optical in 25 miles. We also see many tourists and part time residents who own vacation homes here.

We will open this location in September 2023 as our 3rd store. Our brand has continued to grow and evolve with an extensive offering of unique, hand-crafted sun and optical frames. We can make glasses on the same day in our finishing lab.

As an independent Doctor working with Eyecare Waikoloa some advantages are:

- The freedom to run your own business
- Fantastic personal income potential
- Flexible practice arrangements
- Little overhead and low upfront cost
- High foot traffic customers plus marketing support
- High-quality equipment provided

We are looking for an optometrist with an entrepreneurial spirit and who has the highest standards of execution, and a high level of accountability.
