NOW HIRING

Optometrist Needed

Come join a full-scope optometric practice and explore the specialties of your choice at Wake Forest Eye Care Center. If you're a compassionate, skilled Optometrist looking to take your optometry career to the next level and make a meaningful impact in the lives of your patients—you'll want to check out this immediate opening **just 5 miles North of Raleigh in the beautiful suburb of Wake Forest, North Carolina.**

Why join Wake Forest Eye Center?

Wake Forest Eye Care Center is a premier destination for comprehensive family eye care in the Wake County area. The practice is known for delivering a pleasant and thorough eye care experience, with a focus on expert care and state-of-the-art technology. With four fully equipped medical lanes and highly trained technicians using top-of-the-line pre-test equipment, patients can feel confident that they are receiving the highest quality care available. Additionally, the practice boasts a beautiful optical showroom, complete with an in-house finishing lab, **offering** the convenience of one-stop eye care.

Who we're seeking:

A dynamic doctor eager to grow with practice and support ongoing business expansion will be an asset to the team. The ideal candidate will possess excellent clinical skills and a passion for providing exceptional care to patients of all ages and visual diagnoses, focusing on ensuring the clearest vision possible. As a valued member of the team, you'll play an integral role in driving the growth and success of the practice. The business operates from Monday to Friday, with rotating Saturdays, providing flexibility and work-life balance. You can choose to work either part-time or full-time, depending on your personal and professional goals.

What you'll do:

As a member of the Wake Forest Eye Care Center team, you'll have the opportunity to work collaboratively with other skilled Optometrists to provide comprehensive care to patients of all ages. In this role, you'll be responsible for treating non-surgical ocular diseases and fitting all types of spectacle and specialty contact lenses. Drawing on your expertise in general optometry, you'll also have the chance to explore additional specialties and cutting-edge techniques to advance patient care.

You'll be rewarded with the following:

- Compensation packages start with a solid base salary **of 150,000 to 180,000** annually, plus commission/ performance bonuses
- Flexible Schedule
- 401K packages with 4% matching
- Medical Insurance
- Three weeks of paid time off
- Paid holidays
- Uniform allowance
- AOA, Eastern District dues paid
- All practice-related insurance paid

Minimum Qualifications:

- Optometry license in the state of North Carolina
