

Optometrist

Full-Time | Patient-Centered | Collaborative MD/OD Team

We are seeking a compassionate, clinically driven **Optometrist** to join our growing ophthalmology practice. This role is ideal for a doctor who loves building patient relationships, thrives in a fast-paced medical environment, and is passionate about elevating the standard of eye care. As part of our integrated MD/OD team, you will play a key role in supporting both the clinical and surgical sides of the practice, including:

Post-Operative Care

- Manage and comanage post-op visits for cataract and refractive procedures
- Monitor healing, troubleshoot visual symptoms, and educate patients throughout recovery

Comprehensive Eye Exams

- Perform full-scope medical optometry
- Diagnose and manage ocular disease including glaucoma, AMD, and diabetic eye changes

Dry Eye & Ocular Surface Management

- Evaluate and treat dry eye using advanced diagnostics and treatment modalities
- Customize treatment plans and educate patients on long-term care

Exceptional Patient Experience

- Build trust and rapport through clear communication
- Explain clinical findings and treatment options with confidence and compassion
- Ensure every patient feels seen, heard, and cared for

What We're Looking For

- Doctor of Optometry (OD) from an accredited program
- Active state licensure (or ability to obtain)
- Strong clinical judgment and passion for medical optometry
- Experience in a surgical or ophthalmology setting preferred, but not required
- Commitment to delivering an outstanding patient experience
- Team-player attitude with the ability to collaborate closely with ophthalmologists, technicians, and support staff

Why You'll Love Working With Us

- Work alongside highly regarded ophthalmologists and surgical specialists
- Supportive, team-based care model
- State-of-the-art diagnostic and treatment technology
- Competitive compensation, benefits, and opportunities for professional growth
- A culture that values learning, kindness, and exceptional patient care for the last 50 years

If you are interested in applying, please reach out to **Ann Reiling, COO of Solomon Eye Physicians and Surgeons**, at **Areiling@solomoneye.net** or call **410-310-3701**.
