Eye Associates

your vision for life

**Building a Future in Eye Care
Starts Right Here**

About Us

Welcome to Cornerstone Eye Associates, Monroe County's leader in comprehensive surgical eye care for over 50 years.

Through experienced care, the most advanced technology & treatments, and an unparalleled pursuit for the highest level of patient satisfaction, thousands of patients trust their surgical and eye care needs to us year after year.

Steve Park, MD

Founder & Ophthalmologist

Dr. Park is the founder of Cornerstone Eye Associates. After receiving a B.A. degree in chemistry from Northwestern

University, he earned his M.D. degree

from the University of Illinois at Chicago in 1986. He completed a medical internship at Beth Israel Hospital in New York City and then an ophthalmology residency at Case Western Reserve University Hospitals in Cleveland, Ohio. He came to Rochester to finish his sub-specialty training in the Cornea and External Disease at the University of Rochester, NY.

Dr. Park's special interests are in cataract and corneal transplant surgeries, in addition to medical glaucoma. He has published over 25 articles and abstracts in peer reviewed medical journals. He is the first cataract surgeon in Rochester to have performed topical anesthesia cataract surgery and provides the most up to date technologies and techniques in the field. He is also the only corneal surgeon in Rochester to provide collagen cross linking for keratoconus and performs the latest corneal transplantation techniques such as endothelial transplantation.

Dr. Park is Board Certified by the American Board of Ophthalmology and is a Fellow of the American Academy of Ophthalmology. He is an active member of the American Society of Cataract and Refractive Surgery (ASCRS.) He currently is an assistant clinical professor in the Department of Ophthalmology at the University of Rochester School of Medicine.

Omar Hanuch, MD, FACS

Partner & Ophthalmologist

After graduating with honors from the National University of Cordoba Medical School in his native Argentina, Dr. Hanuch completed a General Medical residency in Chicago's Hinsdale

Hospital/Rush Medical School. He then

completed a Post Doctoral Research Fellowship in Cornea and Refractive Surgery at the University of Rochester under the direction of Dr. James Aquavella, followed by a Surgical Ophthalmology Residency at the same institution.

His involvement in Refractive Surgery is reflected in important peer reviewed scientific publications in leading Ophthalmology journals. During this period, the National Eye Institute awarded him for his contributions to this field.

Dr. Hanuch is Board Certified in Ophthalmology and Family Medicine. He is a Fellow of the American Academy of Ophthalmology and The American College of Surgeons. He is a member of multiple professional associations including the International Society of Refractive Surgery as well as the American Society of Cataract and Refractive Surgery.

Dr. Hanuch is a Clinical Assistant Professor of Ophthalmology at the University of Rochester and has been actively involved in Refractive Surgery since its FDA approval in 1995. He brings his experience and the latest advancements to Cornerstone Eye Associates as they prove safe for his patients.

Furthermore, Dr. Hanuch is dedicated to providing compassionate care with state-of-the-art technology in the diagnosis and treatment of patients with visual concerns.
